Edited by Francisco J. Ruiz de Mendoza
University of La Rioja, Logroño

Associate Editors
Carlos Inchaurralde (University of Zaragoza)
Sandra Peña Cervel (National University of Distance Education)
Lorena Pérez Hernández (University of La Rioja)
Jesús Sánchez (University of Córdoba)

The Annual Review of Cognitive Linguistics aims to establish itself as an international forum for the publication of high-quality original research on all areas of linguistic enquiry from a cognitive perspective. Fruitful debate is encouraged with neighboring academic disciplines as well as with other approaches to language study, particularly functionally-oriented ones.
